Tentacles (in *Catona 208 Yellow Gold*, *105 Bridal White* and *101 Candle Light*)

Crochet of every color 3 tentacles, so you will have 9 in total.

Start with a long thread.

Round 1: Chain 31

Round 2: sc 1 in the 2nd ch from the hook, (inc, sc 1) x14, inc (45)

Fasten off, leave a long tail.

Body bottom (in *Catona 208 Yellow Gold*)

Round 1: Magic circle 6 sc's (6)

Round 2: (inc) x6 (12)

Round 3: (sc 1, inc) x6 (18)

Round 8: (sc 6, inc) x6 (48)

Fasten off, weave in the tail.

Place the tentacles spread out on the body bottom. Knot them by putting 1 thread through the body and the other thread in the stitch next to it. Then make a tight knot in the threads.

The tentacles are placed on the right side of the body.

Body top part (in Catona 208 Yellow Gold)

- Round 1: Magic circle 6 sc's (6)

In the next round you will crochet the bottom and top parts together.

To do this, crochet through 2 stitches at once. First push the crochet hook in the stitch of the top part of the body, then through the stitch of the bottom part of the body.

- Round 16: (hdc 1, [dc 2], hdc 1, sl st 1) x9, fill the body with fiber filling and place the rattle in the middle of the filling, (hdc 1, [dc 2], hdc 1, sl st 1) x3.

Fasten off, weave in the tail.

Do you want to make a stroller clip?

Push a thread of yarn through a yarn needle.
Push the yarn needle into the body in the middle of the bottom of the body. Then push it out in the magic circle of the body top part, go through the 20mm bead, the 25mm bead, 2x through the loop of the pacifier clip, then go back through the 25mm bead, the 20mm bead and the jellyfish. Bring the needle out 1 stitch next to where you started.
Knot the 2 threads tightly together.
Weave the tails in the body.
